Dear Licensee:

This refers to the above mentioned application dated August 29, 2016 requesting special temporary authority to operate at reduced effective radiated power (ERP). You indicate that due to transmitter final amplifier failure, WLIO(TV) is operating at approximately 60% (16.5kW) of licensed power.

In light of the above, special temporary authority is GRANTED pursuant to Sections 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on March 6, 2017.

We wish to point out that an extension of this request must include detailed reasons and a description of efforts being taken to return the station to full power operation.

Sincerely,

A handwritten signature in blue ink that reads "Kevin R. Harding".
