Dear Licensee:

This refers to the above mentioned application dated June 2, 2017, requesting special temporary authority to operate at reduced effective radiated power (ERP). You indicate that the licensee of television station KDLV-TV, Mitchell, South Dakota ("KDLV-TV"), suffered an unanticipated failure of its transmitter on May 4, 2017. As a consequence of that failure, KDLV-TV has been operating at approximately 50% of its authorized power.

In light of the above, special temporary authority is GRANTED pursuant to Sections 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on December 6, 2017.

We wish to point out that an extension of this request must include detailed reasons and a description of efforts being taken to return the station to full power operation.

Sincerely,

A handwritten signature in blue ink, reading "Kevin R. Harding", is positioned above the typed name and title.
