Dear Licensee:

This refers to the above mentioned application dated September 28, 2017 requesting Special Temporary Authority ("STA") to operate Station WHIZ-TV, Zanesville, Ohio at a slight variance from its license facility.

You indicate that the actual antenna in use is non-directional, although the WHIZ-TV, channel 40 License reflects use of a directional antenna. You mentioned that the station wants to operate with a non-directional antenna as it has been for the past ten years until it moves to channel 30.

In light of the above, special temporary authority is GRANTED pursuant to Sections 73.1615 and 73.1635 of the Commission's Rules. This authorization expires on April 18, 2018.

We wish to point out that an extension of this request must include detailed reasons and a description of efforts being taken to return the station to full power operation.

Sincerely,

A handwritten signature in blue ink that reads "Kevin R. Harding".
