Dear Licensee:

This refers to the above mentioned application dated March 16, 2018 requesting further extension of your authority to continue to operate at reduced power. You mentioned KQDS-TV currently is operating at approximately 60% of its authorized power.

Upon review of your extension request, it is evident your efforts are directed toward enhancing the operating efficiency of KQDS-TV. Accordingly, pursuant to sections 73.1560 (d) and 73.1635 of the commission's Rules special temporary authority to operate at reduced power is EXTENDED until October 4, 2018.

Once again, we wish to point out that any request for further extension of this authority must include your reasons for extension and a detailed description of steps being taken to return the station to a fully operational facility.

Sincerely,

A handwritten signature in blue ink that reads "Kevin R. Harding".
