Dear Licensee:

This refers to the above-mentioned application dated May 2, 2018, requesting special temporary authority to operate at reduced effective radiated power (ERP). You indicate that the station went to half power on February 13, 2018 due to transmitter failure.

In light of the above, special temporary authority is GRANTED pursuant to Sections 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on November 11, 2018.

We wish to point out that an extension of this request must include detailed reasons and a description of efforts being taken to return the station to full power operation.

Sincerely,

A handwritten signature in blue ink that reads "Kevin R. Harding". The signature is fluid and cursive, with a long, sweeping tail on the "g".
