Dear Licensee:

This refers to the above-mentioned application dated May 3, 2018 requesting special temporary authority to operate at reduced effective radiated power (ERP). You indicate that KDLT-TV suffered an unanticipated failure of part of its transmitter, causing it to operate at approximately 50% of authorized power. You mentioned that while KDLT is in the process of repairing the failure, it has not completed repairs at this time.

In light of the above, special temporary authority is GRANTED pursuant to Sections 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on November 11, 2018.

We wish to point out that an extension of this request must include detailed reasons and a description of efforts being taken to return the station to full power operation.

Sincerely,

A handwritten signature in blue ink that reads "Kevin R. Harding". The signature is fluid and cursive, with a long, sweeping tail on the last name.
