Dear Licensee:

This refers to your request dated July 27, 2018, requesting special temporary authority (STA) to operate at variance. You indicate that WVSN (TV) proposes to commence operations on its post-auction channel 23 with an ERP of 16.3 kW using the authorized antenna pattern and site of its post auction Construction Permit (CP) by the August 1, 2018 post-auction transition deadline. You mentioned that WVSN (TV) was assigned new parameters as a result of the Broadcast Incentive Auction and thus, the station will begin operations with an interim equipment with the herein requested STA until the new main transmitter and antenna is received and installed.

In light of the above, special temporary authority is GRANTED pursuant to Sections 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on January 30, 2019.

Sincerely,

A handwritten signature in blue ink, reading "Kevin R. Harding", is positioned above the typed name and title.
