Facility ID Number: 7143

Dear Licensee:

This refers to your request dated September 7, 2018, requesting special temporary authority (STA) to operate at variance. You indicate that the purpose of this STA application is to allow the KASW facility to temporarily operate with alternate parameters on its pre-transition channel (49) using an AUX transmitter while the new post-transition Phase 1 facility is built-out. You mentioned that the proposed KASW interim facility will completely encompass its community of license with the F(50,90) 48.0 dBu principal community contour and will not exceed its licensed F(50,90) 41.91 dBu protected noise limited contour in any azimuthal direction.

In light of the above, special temporary authority is GRANTED pursuant to Sections 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on **November 30, 2018**.

Sincerely,

A handwritten signature in blue ink that reads "Kevin R. Harding". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.
