Dear Licensee:

This refers to the above-mentioned application dated November 7, 2018, requesting special temporary authority to operate at reduced effective radiated power (ERP). You indicate the station is using a new antenna with the specifications proposed in the modification application. However, because of obstacles caused by Hurricane Maria, it is necessary for the station to operate at lower power.

In light of the above, special temporary authority is GRANTED pursuant to Sections 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on **May 13, 2019**.

Sincerely,

A handwritten signature in blue ink, reading "Kevin R. Harding", is positioned above the printed name and title.
