Dear Licensee:

This refers to the above-mentioned application dated November 13, 2018, requesting special temporary authority to operate at reduced effective radiated power (ERP). You indicate that WRTV recently experienced a failure in a section of its transmission line. As a result, the WRTV ERP has been reduced from the licensed 1000 kW to 182.4 kW

In light of the above, special temporary authority is GRANTED pursuant to Sections 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on **May 19, 2019**.

We wish to point out that an extension of this request must include detailed reasons and a description of efforts being taken to return the station to full power operation.

Sincerely,

A handwritten signature in blue ink that reads "Kevin R. Harding". The signature is fluid and cursive, with a large loop at the end.
