Dear Licensee:

This refers to the above-mentioned application dated December 18, 2018 requesting further extension of your authority to continue to operate at a slight variance from its license facility.

You indicate that the actual antenna in use is non-directional, although the WHIZ-DT, channel 40 License reflects use of a directional antenna. You mentioned that the station wants to operate with a non-directional antenna as it has been for the past ten years until it moves to post-transition, channel 30.

In light of the above, special temporary authority is GRANTED pursuant to Sections 73.1615 and 73.1635 of the Commission's Rules. This authorization expires on **June 20, 2019**.

Sincerely,

A handwritten signature in blue ink that reads "Kevin R. Harding".
