Dear Licensee:

This refers to your request dated February 2, 2019, requesting special temporary authority (STA) to operate at variance. You indicate that the purpose of this STA application is the use of an auxiliary antenna for its operation on Channel 28 while the new repack antenna for KPXJ (Minden, Louisiana) on Channel 32 is installed on the same tower as KTBS-TV. You mentioned that no change in the KTBS-TV transmitter site location is proposed.

In light of the above, special temporary authority is GRANTED pursuant to Sections 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on **September 5, 2019**.

We wish to point out that an extension of this request must include detailed reasons and a description of efforts being taken to return the station to full power operation.

Sincerely,

A handwritten signature in blue ink, reading "Kevin R. Harding", is written over the typed name.
