Dear Licensee:

This refers to your request dated March 18, 2019, for special temporary authority (STA) to continue interim operations. You indicate that the tower rigging company that had been scheduled to reconfigure the tall tower for the repack has gone bankrupt and is no longer in business. You state that because of the bankruptcy delay, the applicant must wait until a different tower rigging company can do the necessary equipment installation and reconfiguration.

In light of the above, special temporary authority is GRANTED pursuant to Sections 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on **October 2, 2019**.

Sincerely,

A handwritten signature in black ink that reads "Kevin R. Harding".
