Dear Licensee:

This is in response to the above application filed on June 28, 2019, for special temporary authority (STA) to operate at variance. You indicate that WPXN-TV requests to test its facility on post-auction channel 34 before permanently ceasing operation on its pre-auction channel 31. You mentioned that this testing is necessary to insure the combiner and antenna system will work properly on the new, post-auction channel.

In light of the above, special temporary authority is **GRANTED** pursuant to Sections 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on **August 2, 2019**.

Sincerely,

A handwritten signature in blue ink, reading "Kevin R. Harding", is positioned above the printed name and title.
