In Re: Special Temporary Authority
For Station WSFX-TV
Wilmington, North Carolina
Application File No. 0000081102
Fac Id: 72871

Dear Licensee:

This is in reference to your September 09, 2019 request seeking special temporary authority (STA) to operate TV station WSFX-TV, Wilmington, NC, on its pre-auction channel using authorized pre-transition parameters¹ to help facilitate the resolution of a technical issue that prevents the station from commencing its post-auction operations.

After a thorough review of your technical specifications, we are persuaded that no interference is likely to occur from the proposed operation. We therefore conclude that the public interest would be served by the grant of this request. If problems do arise, we expect them to be solved expeditiously and the Bureau reserves the right to require the termination of the operation.

With respect to radio frequency radiation (RFR), we expect compliance with Section 1.1307(b) of the Commission's Rules to be achieved.

In light of the above, special temporary authority IS GRANTED pursuant to Section 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on **September 17, 2019**.

Sincerely,

A handwritten signature in blue ink that reads "Kevin R. Harding".
