In Re: Special Temporary Authority
For Station WTAT-TV
Charleston, South Carolina
Application File No. 0000081121
Fac Id: 416

Dear Licensee:

This is in reference to your September 10, 2019 request seeking special temporary authority (STA) to operate TV station WTAT-TV, Charleston, SC, with interim facilities on Channel 25 pursuant to the joint use of channel agreement with station WCIV, Charleston, SC, until construction is completed on its Channel 17 facility and operations may commence.

After a thorough review of your technical specifications, we are persuaded that no interference is likely to occur from the proposed operation. We therefore conclude that the public interest would be served by the grant of this request. If problems do arise, we expect them to be solved expeditiously and the Bureau reserves the right to require the termination of the operation.

With respect to radio frequency radiation (RFR), we expect compliance with Section 1.1307(b) of the Commission's Rules to be achieved.

In light of the above, special temporary authority IS GRANTED pursuant to Section 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on **March 4, 2020**.

Sincerely,

A handwritten signature in blue ink that reads "Kevin R. Harding".
