In Re: Special Temporary Authority
For Station WJFB
Lebanon, Tennessee
Application File No. 0000087815
Fac Id: 7651

Dear Licensee:

This is in reference to your November 1, 2019 request seeking special temporary authority (STA) to operate TV station WJFB, Lebanon, TN, on its post-auction channel using an interim antenna with reduced parameters while the station addresses issues that are occurring with its main antenna.

After a thorough review of your technical specifications, we are persuaded that no interference is likely to occur from the proposed operation. We therefore conclude that the public interest would be served by the grant of this request. If problems do arise, we expect them to be solved expeditiously and the Bureau reserves the right to require the termination of the operation.

With respect to radio frequency radiation (RFR), we expect compliance with Section 1.1307(b) of the Commission's Rules to be achieved.

In light of the above, special temporary authority IS GRANTED pursuant to Section 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on **January 17, 2020**.

Sincerely,
