In Re: Special Temporary Authority  
For Station WVER  
Rutland, Vermont  
Application File No. 0000105858  
Fac Id: 69946

Dear Licensee:

This is in reference to your February 11, 2020 request seeking special temporary authority (STA) to operate TV station WVER, Rutland, VT, on its post-auction channel using its distributed transmission system to fill in the service area lost on an interim basis during the auction transition.

After a thorough review of your technical specifications, we are persuaded that no interference is likely to occur from the proposed operation. We therefore conclude that the public interest would be served by the grant of this request. If problems do arise, we expect them to be solved expeditiously and the Bureau reserves the right to require the termination of the operation.

With respect to radio frequency radiation (RFR), we expect compliance with Section 1.1307(b) of the Commission's Rules to be achieved.

In light of the above, special temporary authority IS GRANTED pursuant to Section 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on **July 3, 2020**.

Sincerely,

/s/
