In Re: Special Temporary Authority
For Station WTXF-TV
Philadelphia, Pennsylvania
Application File No. 0000105643
Fac Id: 51568

Dear Licensee:

This is in reference to your February 7, 2020 request seeking special temporary authority (STA) to operate TV station WTXF-TV, Philadelphia, PA, on its licensed channel with reduced parameters while the station resolves issues with its mask filter in order to resume full power operations.

After a thorough review of your technical specifications, we are persuaded that no interference is likely to occur from the proposed operation. We therefore conclude that the public interest would be served by the grant of this request. If problems do arise, we expect them to be solved expeditiously and the Bureau reserves the right to require the termination of the operation.

With respect to radio frequency radiation (RFR), we expect compliance with Section 1.1307(b) of the Commission's Rules to be achieved.

In light of the above, special temporary authority IS GRANTED pursuant to Section 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on **August 17, 2020**.

Sincerely,

A handwritten signature in black ink, reading "Kevin R. Harding". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.
