Dear Licensee:

This refers to the above mentioned application dated December 11, 2015 requesting special temporary authority to operate at reduced effective radiated power (ERP). You indicate that on December 5, 2015, KHMT(TV) experienced a major transmitter failure and is currently operating at 50% of authorized power.

You state that reduced power operations will continue to be necessary while the applicant is trying to repair or replace the equipment and restore full power operation.

In light of the above, special temporary authority is GRANTED pursuant to Sections 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on July 14, 2016.

We wish to point out that an extension of this request must include detailed reasons and a description of efforts being taken to return the station to full power operation.

Sincerely,

A handwritten signature in blue ink, reading "Kevin R. Harding", is positioned above the printed name and title.
