Dear Applicant:

This refers to the above application dated February 17, 2016 requesting special temporary authority to remain silent. You indicate that KABY-TV had to go silent when its tower did not pass an inspection. The tower had to be immediately deconstructed and removed from the site.

In light of the above, special temporary authority IS GRANTED pursuant to Sections 73.1740 of the Commission's Rules. This authorization expires on September 11, 2016.

During this period of discontinued operation, you are directed to pay strict attention to Section 73.1740 (a) (4). That is, you must continue to adhere to the requirements in your station license pertaining to the lighting of antenna structures.

We wish to point out that an extension of this request must include detailed reasons and a description of efforts being taken to return the station to full power operation.

Sincerely,

A handwritten signature in blue ink that reads "Kevin R. Harding". The signature is stylized with a large, sweeping "K" and a long, horizontal stroke at the end.
