Dear Applicant:

This refers to the above application dated March 15, 2016 requesting further extension of your authority to remain silent. You state that grant of the extension of the STA to be silent would continue the prior accommodation for the court order transfer which would allow the station resume broadcasting in an expeditious manner.

Upon review of your extension request, it is evident your efforts are directed toward returning and enhancing the operating efficiency of WPAN. Accordingly, pursuant to sections 73.1635 of the Commission's Rules, special temporary authority to remain silent is EXTENDED until May 27, 2016.

Once again, we wish to point out that any request for further extension of this authority must include your reasons for extension and a detailed description of steps being taken to return the station to a fully operational facility.

Sincerely,

A handwritten signature in blue ink that reads "Kevin R. Harding".
