Dear Licensee:

This refers to the above mentioned application dated July 15, 2016 requesting further extension of your authority to continue to operate at reduced power. You mentioned that it is anticipated that the repairs take some time due to funding approval issues.

Upon review of your extension request, it is evident your efforts are directed toward enhancing the operating efficiency of KNCT-TV. Accordingly, pursuant to sections 73.1560 (d) and 73.1635 of the commission's Rules special temporary authority to operate at reduced power is EXTENDED until January 19, 2017.

Once again, we wish to point out that any request for further extension of this authority must include your reasons for extension and a detailed description of steps being taken to return the station to a fully operational facility.

Sincerely,

A handwritten signature in blue ink that reads "Kevin R. Harding". The signature is fluid and cursive, with a large loop at the end.
