Dear Licensee:

This refers to the above mentioned application dated September 15, 2016 requesting special temporary authority to operate at reduced effective radiated power (ERP). You indicate that on August 18, 2016, KMCB-TV, suffered a power amplifier failure. As a result, the station is operating at 25% of authorized power.

In light of the above, special temporary authority is GRANTED pursuant to Sections 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on March 19, 2017.

We wish to point out that an extension of this request must include detailed reasons and a description of efforts being taken to return the station to full power operation.

Sincerely,

  
Kevin R. Harding
