Dear Applicant:

This refers to the above application dated December 6, 2016 requesting special temporary authority to remain silent. You indicate that the station went silent on November 8, 2016 due to equipment problems. You also mentioned that J.F. Broadcasting is taking all steps necessary to resume normal operation in a timely fashion.

In light of the above, special temporary authority IS GRANTED pursuant to Sections 73.1740 of the Commission's Rules. This authorization expires on June 19, 2017.

During this period of discontinued operation, you are directed to pay strict attention to Section 73.1740 (a) (4). That is, you must continue to adhere to the requirements in your station license pertaining to the lighting of antenna structures.

We wish to point out that an extension of this request must include detailed reasons and a description of efforts being taken to return the station to full power operation.

Sincerely,
