Dear Applicant:

This refers to the above application dated February 3, 2017 requesting special temporary authority to remain silent. You indicate that the assignment and sale of the TV station KREG-TV from Nexstar Media Group occurred on January 17, 2017. You mentioned that because of the effect of the harsh weather conditions in the area, the station is unable to complete the installation of fiber necessary to send its signal to the transmitter and tower site.

In light of the above, special temporary authority IS GRANTED pursuant to Sections 73.1740 of the Commission's Rules. This authorization expires on August 7, 2017.

During this period of discontinued operation, you are directed to pay strict attention to Section 73.1740 (a) (4). That is, you must continue to adhere to the requirements in your station license pertaining to the lighting of antenna structures.

We wish to point out that an extension of this request must include detailed reasons and a description of efforts being taken to return the station to full power operation.

Sincerely,

A handwritten signature in blue ink, reading "Kevin R. Harding", is written over the typed name.
