Lebanon, TN
Fac Id: 7651

Dear Licensee:

This refers to the above mentioned application dated April 21, 2017 requesting special temporary authority to operate at reduced effective radiated power (ERP). On March 23, 2017, WJFB experienced equipment failure and has to replace a harmonic filter. The station has been operating below the 80% minimum transmitter output power limits of Rule 73.1560(c) ever since. The station requests special temporary authority to operate below (at 50%) the minimum power limits of Rule 73.1560(c).

In light of the above, special temporary authority is GRANTED pursuant to Sections 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on October 25, 2017.

We wish to point out that an extension of this request must include detailed reasons and a description of efforts being taken to return the station to full power operation.

Sincerely,

A handwritten signature in blue ink that reads "Kevin R. Harding". The signature is fluid and cursive, with a large loop at the end.

Kevin R. Harding
