Dear Licensee:

This refers to the above application dated September 15, 2017 requesting special temporary authority to remain silent. You indicate that as of September 12, initial reports are that WGEN-TV's antenna was literally blown off of its tower during Hurricane Irma. As a result, WGEN-TV is currently silent and will be silent for a period that will exceed 30 days.

In light of the above, special temporary authority IS GRANTED pursuant to Sections 73.1740 of the Commission's Rules. This authorization expires on March 18, 2018.

During this period of discontinued operation, you are directed to pay strict attention to Section 73.1740 (a) (4). That is, you must continue to adhere to the requirements in your station license pertaining to the lighting of antenna structures.

We wish to point out that an extension of this request must include detailed reasons and a description of efforts being taken to return the station to full power operation.

Sincerely,

A handwritten signature in blue ink that reads "Kevin R. Harding".
