Dear Licensee:

This refers to the above application dated October 11, 2017 requesting special temporary authority to remain silent. You indicate that the station was forced off the air as a result of hurricane Maria.

In light of the above, special temporary authority IS GRANTED pursuant to Sections 73.1740 of the Commission's Rules. This authorization expires on April 18, 2018.

During this period of discontinued operation, you are directed to pay strict attention to Section 73.1740 (a) (4). That is, you must continue to adhere to the requirements in your station license pertaining to the lighting of antenna structures.

We wish to point out that an extension of this request must include detailed reasons and a description of efforts being taken to return the station to full power operation.

Sincerely,

A handwritten signature in blue ink that reads "Kevin R. Harding". The signature is written in a cursive style with a large, sweeping "K" and a long, trailing "y" at the end.
