Dear Licensee:

This refers to the above mentioned application dated January 3, 2018, requesting further extension of your authority to operate at variance. You indicate that Mission Broadcasting, Inc., licensee of KAMC (TV), Lubbock, Texas, was forced to operate from a temporary antenna due to irreparable damage to the station's primary antenna. The damaged primary antenna and the current temporary antenna are shared by KAMC and station KLBK-TV, Lubbock, Texas, which is licensed to Nexstar Broadcasting, Inc. Nexstar proposes to continue use of the temporary antenna until KLBK-TV's transition to its repack channel is completed on or before November 30, 2018.

Upon review of your extension request, it is evident your efforts are directed toward enhancing the operating efficiency of KAMC -TV. Accordingly, pursuant to sections 73.1560 (d) and 73.1635 of the commission's Rules special temporary authority to operate at variance is EXTENDED until August 23, 2018.

Once again, we wish to point out that any request for further extension of this authority must include your reasons for extension and a detailed description of steps being taken to return the station to a fully operational facility.

Sincerely,

A handwritten signature in blue ink that reads "Kevin R. Harding".
