Dear Licensee:

This refers to the above-mentioned application dated April 23, 2018, requesting special temporary authority to operate at reduced effective radiated power (ERP). You indicate that due to equipment damaged by Hurricane Maria, the licensee of WVSN requests Special Temporary Authority to continue to operate at reduced power of 500 Watts while repairs are being made.

In light of the above, special temporary authority is GRANTED pursuant to Sections 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on November 11, 2018.

We wish to point out that an extension of this request must include detailed reasons and a description of efforts being taken to return the station to full power operation.

Sincerely,

A handwritten signature in blue ink that reads "Kevin R. Harding".
