RE: Extension of Silent STA
See attachment A

Dear Licensee:

This is in reference to the attached requests for special temporary authority (STA) to remain silent. Based on the facts set forth, your request is hereby granted, and silent authority for the stations is extended until September 20, 2018. During this period of discontinued operation, you are directed to pay strict attention to 47 CFR § 73.1740(a)(4). That is, you must continue to adhere to the requirements in your station authorization pertaining to lighting of antenna structures. You must also remain cognizant of 47 U.S.C. § 312(g) which states that broadcast stations that fail to transmit a broadcast signal for 12 consecutive months will have their license authorization automatically expire. Under Section 312(g) stations may seek to extend or have their reinstated in order to promote "equity and fairness."

Sincerely,

Hossein Hashemzadeh
Deputy Chief, Video Division
Media Bureau
