Dear Licensee:

This refers to your request dated July 6, 2018, requesting special temporary authority (STA) to operate at variance. You indicate that the station needs to commence initial operation on reassignment Ch. 24 with an interim antenna to accommodate tower work, removal of existing Ch. 42 main antenna, replacement of main transmission line, and installation of post-auction Ch. 24 main antenna. You mentioned that approximate commencement date of interim operation on Ch. 24 is October 1, 2018, and is expected to last two to three weeks at which time operation on the new main antenna will commence at full power on Ch. 24.

In light of the above, special temporary authority is GRANTED pursuant to Sections 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on January 10, 2019.

Sincerely,

A handwritten signature in blue ink, reading "Kevin R. Harding", is positioned above the printed name and title.
