Dear Licensee:

This refers to the above-mentioned application dated November 7, 2018, requesting authority to operate at variance. You indicate that the WPBT STA facility will operate on Channel 18 using an antenna to be side-mounted on the WPBT main facility tower at a height of 246.9 m above ground level. There will be no change in the overall height of the existing structure.

In light of the above, special temporary authority is GRANTED pursuant to Sections 73.1615 and 73.1635 of the Commission's Rules. This authorization expires on **May 13, 2019**.

Once again, we wish to point out that any request for extension of this authority must include your reasons for extension and a detailed description of steps being taken to return the station to a fully operational facility.

Sincerely,

A handwritten signature in blue ink that reads "Kevin R. Harding". The signature is fluid and cursive, with a long, sweeping tail on the last name.
