Dear Licensee:

This refers to the above-mentioned application dated November 20, 2018, requesting special temporary authority to operate at reduced effective radiated power (ERP). You indicate that WGWG experienced equipment failure on November 10, 2018 and lost its Cabinet 1 due to an arc fault. You mentioned that the station is currently operating at 50% of authorized power from its Cabinet 2 transmitter.

In light of the above, special temporary authority is GRANTED pursuant to Sections 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on **May 27, 2019**.

We wish to point out that an extension of this request must include detailed reasons and a description of efforts being taken to return the station to full power operation.

Sincerely,

A handwritten signature in blue ink that reads "Kevin R. Harding".
