Facility Number: 3660

Dear Licensee:

This refers to your request dated November 23, 2018, requesting special temporary authority (STA) to operate at variance. You indicate that the purpose of this STA application is to allow the KLBK-TV facility to operate at reduced power on its post-transition channel (31) using a side-mounted directional interim antenna (TFU-24WB-R C160) while the new post-transition main antenna is installed. You mentioned that the proposed KLBK-TV temporary facility at reduced operation will completely encompass its community of license and will not exceed its licensed pre-transition protected noise limited contour in any azimuthal direction.

In light of the above, special temporary authority is GRANTED pursuant to Sections 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on **May 28, 2019**.

Sincerely,

A handwritten signature in blue ink that reads "Kevin R. Harding".
