Dear Licensee:

This refers to your request dated December 18, 2018, requesting special temporary authority (STA) to operate at variance. You indicate that Licensee's station experienced substantial damage as the result of Hurricane Maria. The Licensee was not able to complete construction of its authorized post-Incentive Auction facilities prior to August 1, 2018 but will be able to commence operation on its post-Incentive Auction channel with the proposed temporary facilities.

In light of the above, special temporary authority is GRANTED pursuant to Sections 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on **June 20, 2019**.

We wish to point out that any further extension of this request must include detailed reasons and a description of efforts being taken to return the station to full power operation.

Sincerely,

A handwritten signature in black ink that reads "Kevin R. Harding". The signature is written in a cursive style with a large, looping "K" and "H".
