Dear Licensee:

This refers to the above-mentioned application dated December 18, 2018, requesting special temporary authority to operate at reduced effective radiated power (ERP). You indicate that A component failure damaged one of the tubes and the manufacturer has indicated the damage may be irreparable. The station is currently operating at approximately 50 percent of authorized power.

In light of the above, special temporary authority is GRANTED pursuant to Sections 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on **June 20, 2019**.

We wish to point out that an extension of this request must include detailed reasons and a description of efforts being taken to return the station to full power operation.

Sincerely,

A handwritten signature in blue ink that reads "Kevin R. Harding".
