Dear Licensee:

This refers to the above-mentioned application dated February 15, 2019, requesting special temporary authority to operate at reduced effective radiated power (ERP). You indicate that On January 17, 2019, WTJP-TV experienced equipment failure and lost its V1 transmitter. You mentioned that the station is currently operating at less than 80% of authorized power. The necessary parts have been ordered and Trinity anticipates completing the repairs soon and returning WTJP-TV to full power operation shortly.

In light of the above, special temporary authority is GRANTED pursuant to Sections 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on **September 6, 2019**.

We wish to point out that an extension of this request must include detailed reasons and a description of efforts being taken to return the station to full power operation.

Sincerely,

A handwritten signature in blue ink that reads "Kevin R. Harding". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.
