Dear Licensee:

This refers to your request dated February 25, 2019, requesting special temporary authority (STA) to operate at variance. You indicate that KTBU is applying for a special temporary authority in order to stay on the air during tower work in preparation for the TV Repack. The STA request is to continue operating on the licensed frequency (Channel 42) with a different antenna at a lower elevation on the tower.

In light of the above, special temporary authority is GRANTED pursuant to Sections 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on **September 6, 2019**.

We wish to point out that an extension of this request must include detailed reasons and a description of efforts being taken to return the station to full power operation.

Sincerely,

A handwritten signature in blue ink that reads "Kevin R. Harding". The signature is written in a cursive style with a large, sweeping "K" and a long, trailing "g".
