Dear Licensee:

This refers to your request dated March 5, 2019 for further extension of your authority to continue to operate at variance. You indicate unfortunately, due to weather and equipment delays, KYTV has had to operate from its facility longer than expected. It anticipates moving to its final repack facility within the next month.

In light of the above, special temporary authority is GRANTED pursuant to Sections 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on **September 11, 2019**.

Once again, we wish to point out that any request for further extension of this authority must include your reasons for extension and a detailed description of steps being taken to return the station to a fully operational facility

Sincerely,

A handwritten signature in blue ink that reads "Kevin R. Harding".
