Dear Licensee:

This refers to your request dated March 14, 2019, for special temporary authority (STA) to operate at variance. You indicate the station will operate a distributed transmission network with a main site (Site 1) on the windward side of Oahu and a second site (Site 2) on the leeward side of the island. You mentioned that it is proposed to mount a directional horizontally-polarized panel antenna at the 29-meter level at Site 1 with an effective radiated power of 2.6 kW. It is also proposed to mount a directional horizontally-polarized panel antenna at the 11-meter level at Site 2 with an effective radiated power of is 24.1 kW.

In light of the above, special temporary authority is GRANTED pursuant to Sections 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on **January 11, 2020**.

We wish to point out that an extension of this request must include detailed reasons and a description of efforts being taken to return the station to full power operation.

Sincerely,

A handwritten signature in blue ink, reading "Kevin R. Harding", is positioned above the typed name and title.
