Dear Licensee:

This refers to your request filed on April 11, 2019, for special temporary authority (STA) to operate at variance. You indicate the purpose of this STA application is to allow KRMA-TV to increase its effective radiated power (ERP) to 500 kW, with all other transmission parameters remaining the same. You mentioned that this higher ERP is expected to restore service to many of the viewers who lost service as a result of KRMA-TV's initial STA operation.

In light of the above, special temporary authority is GRANTED pursuant to Sections 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on **October 15, 2019**.

Sincerely,

A handwritten signature in blue ink that reads "Kevin R. Harding". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.
