Dear Licensee:

This refers to your request filed on May 1, 2019, for special temporary authority (STA) to operate at variance. You indicate the purpose of this STA application is to coordinate the construction of the new WICU facility with the construction of the co-located WSEE repack facility which is anticipated to occur at the end of May 2019. In order to facilitate the construction of WICU-TV, will need to alter its interim facility to operate from a side-mounted antenna lower on the tower with an Effective Radiated Power (ERP) of 6.5kW.

In light of the above, special temporary authority is **GRANTED** pursuant to Sections 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on **November 8, 2019**.

We wish to point out that an extension of this request must include detailed reasons and a description of efforts being taken to return the station to full power operation.

Sincerely,

A handwritten signature in blue ink, reading "Kevin R. Harding", is positioned above the printed name and title.
