Dear Licensee:

This is in response to the above application filed on May 7, 2019, for special temporary authority (STA) to operate at variance. You indicate the purpose of this STA application is to operate using temporary facilities on channel 31 at reduced power (600 kW). Also, it will operate from an antenna at a lower elevation on the same tower, during periods when repack-related construction forces KUBE to power-down its permanent post-repack channel 31 antenna.

In light of the above, special temporary authority is **GRANTED** pursuant to Sections 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on **June 21, 2019**.

Sincerely,

A handwritten signature in black ink that reads "Kevin R. Harding".
