Dear Licensee:

This is in response to the above application filed on June 10, 2019, for special temporary authority (STA) to operate at variance. You indicate that to meet the Phase 4 deadline date of August 2, 2019, WMPT must construct an interim facility for its current operations on Channel 42 to complete construction of its post-auction repack facility on Channel 21.

In light of the above, special temporary authority is **GRANTED** pursuant to Sections 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on **August 2, 2019**.

Sincerely,

A handwritten signature in blue ink that reads "Kevin R. Harding". The signature is written in a cursive style with a large, stylized "K" and "H".
