Dear Licensee:

This is in response to the above application filed on June 6, 2019, for special temporary authority (STA) to operate at variance. You indicate that as a result of an error in completing the engineering section of a license application in 2007, the WHIZ-TV channel 40 License application reflects a directional antenna. The actual antenna in use is non-directional. You mentioned that the purpose of this STA is to allow the station to continue to operate on non-directional channel 40 until it moves to its re-pack station channel 30.

In light of the above, special temporary authority is **GRANTED** pursuant to Sections 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on **December 11, 2019**.

Sincerely,

A handwritten signature in blue ink that reads "Kevin R. Harding".
