Dear Licensee:

This is in response to the above application filed on June 13, 2019, for special temporary authority (STA) to operate at variance. You indicate that in order to facilitate the installation of KEYE-TV's permanent post-transition channel 34, the station needs to operate using an interim antenna. You mentioned that the instant STA will allow KEYE-TV to initially transfer its broadcast operation on its pre-transition channel 43 to the proposed interim antenna, that will ultimately become its auxiliary antenna once KEYE-TV's permanent post-transition channel 34 authorized antenna is installed and operational.

In light of the above, special temporary authority is GRANTED pursuant to Sections 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on **December 18, 2019**.

Sincerely,

A handwritten signature in blue ink that reads "Kevin R. Harding".
