Dear Licensee:

This is in response to the above application filed on June 24, 2019, for special temporary authority (STA) to operate at variance. You indicate that the purpose of this STA is to use the station's post transition channel 34 transmitter to temporarily broadcast through the licensed antenna since the post-transition antenna will not be installed in time to meet the Phase 4 August 2, 2019 completion date deadline.

In light of the above, special temporary authority is GRANTED pursuant to Sections 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on **December 24, 2019**.

Sincerely,

A handwritten signature in blue ink that reads "Kevin R. Harding".
