Dear Licensee:

This is in response to the above application filed on July 12, 2019, for special temporary authority (STA) to operate at variance. You indicate that while the new Channel 2 antenna is being mounted in the present Channel 16 antenna aperture, WGGG-TV needs to operate with an interim transmission facility on Channel 2 from a different position on the tower.

In light of the above, special temporary authority is **GRANTED** pursuant to Sections 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on **January 23, 2020**.

Sincerely,

A handwritten signature in dark ink, reading "Kevin R. Harding", is written over the typed name.
